# Toppers Testimonials

“

Abhijeet Sir noted that my answers lacked structure, which led to numerous video calls over time. As a result, my answers improved significantly.

Priyanshu Agrawal  
AIR 123  
UPSC CSE 2024

“

Abhijeet sir and Shashank sir used to call me and ask "Padh rahe ho na?" I think they both had a lot of hope from me, they have immensely helped me in my Mains preparation

Rohit Singh  
AIR 241  
UPSC CSE 2024

“

I showed approximately eight essays to Shashank Ratnoo sir, and while I faced quite a bit of constructive criticism from him, his guidance, along with Abhijeet sir's support, helped me improve significantly.

Vishal  
AIR 439  
UPSC CSE 2024

“

The standout feature of MFG was the personalized one-on-one mentorship sessions. Unlike other programs where the crowd can be overwhelming, MFG ensures you receive focused guidance. What sets this course apart is the option for weekly or monthly mentorship sessions, which truly makes MFG special.

Akancha Singh  
AIR 44  
UPSC CSE 2023

“

We can have direct discussions about our copies with Abhijeet Sir and Shashank Sir, allowing us to receive immediate feedback—there's no need to wait 20 days or longer. The challenge with other coaching options is that if I write something today, I may not even remember it by the time 20 days pass. How can I be expected to make improvements under those circumstances? This is where UPSCprep truly excels with its prompt responses.

Surbhi Shrivastav  
AIR 56  
UPSC CSE 2023

“

Shashank Ratnoo Sir played a crucial role in my Mains journey. He provided invaluable guidance in enhancing my answers and contributed significantly improving my scores

Aditi Yadav  
AIR 194  
UPSC CSE 2023

“

With the right guidance and a source of genuine motivation, significant changes can occur in just two to three months. This preparation will allow you to approach the mains exam with confidence, similar to those in the mains focus group.

Dikshita Joshi  
AIR 58  
UPSC CSE 2022

“

I think MFG needs more students.  
The kind of mentoring which is available here is unmatched.

Srinivas Sadi  
AIR 310  
UPSC CSE 2021

“

Your assistance has been incredibly valuable to me, particularly in terms of preparation and answer writing. Abhijeet Sir, your contributions have been outstanding.

Aditya Patle  
AIR 375  
UPSC CSE 2021

# Sample Notes

**UPSCPREP.COM**  
Simplify your UPSC Journey

- India's Panchamrit pledge: On climate change, India's pledged at COP 26 of UNFCCC to realise the motto of "One Life One World".
  - Reduce emission by 1 billion tons of CO<sub>2</sub>.
  - Reduce the Indian economy's emission intensity by 45%.
  - Increase non-fossil fuel energy capacity to 500GW by 2030.
  - Increase renewable energy share in the energy mix to 50% by 2030.
  - Net zero by 2070.

**India's Panchamrit Pledge**

Reduce CO <sub>2</sub> Emissions by 1 Bn Tons	Reduce Emission Intensity by 45 %	Increase Non-Fossil Fuel Capacity to 500GW by 2030	Increase Renewable Energy Share to 50% by 2030	Achieve Net Zero by 2070

**Challenges to India's Climate Action**

- High coal dependence - 65% Electricity using coal
- Environment vs Development:

Environment and Ecology | UPSCprep.com  
15

**UPSCPREP.COM**  
Simplify your UPSC Journey

**Benefits**

- EIA links environment with development for environmentally safe and sustainable development.
- It provides a cost-effective method to eliminate or minimize the adverse impact of developmental projects.
- EIA encourages the adaptation of mitigation strategies.
- It makes sure that the developmental plan is environmentally sound and within limits of the capacity of assimilation and regeneration of the ecosystem

**Shortcomings**

Environment and Ecology | UPSCprep.com  
45

**UPSCPREP.COM**  
Simplify your UPSC Journey

**River Pollution - Sources**

- Excess fertilizers and pesticides- runoff and drainage.
- Chemicals & Effluents: Industrialisation along the river belt. Eg. river Yamuna is affected by Ammonia pollution and heavy froths are seen in Yamuna.
- Garbage Dumping: High population density around the river banks and the reckless dumping of non-biodegradable waste, especially plastics
- Washing & Sewage: Laundering clothes on river banks
- Cremation & Last Rites: Cremation grounds in rural India are located on the banks of rivers like Varanasi.
- Sand Dredging
- Formalin (Methanal) Contamination: The Food Safety and Standards Authority of India (FSSAI) has banned formaldehyde in fresh fish, while the International Agency for Research on Cancer labelled the chemical a carcinogen.

**River Pollution - Consequences**
