Personalised Mentorship: How it works?

- 💡 You can book a mentor session anytime you want.
- 💡 Unlimited mentor sessions - book sessions whenever you want
- 💡 We ask 3 to 5 students to join in a session. Your mentorship will be 1 to 1. Reasons for asking 3 to 5 students to join together are (a) optimising time utilisation of mentors (b) peer learning from other students who are in the same situation as you.
- 💡 Despite this, if you wish to talk to a mentor alone for some reasons, you can communicate the same to the mentor and our mentor will make sure you get the privacy to discuss any sensitive topics.
- 💡 Mentorship access till Mains 2027.

23 Mains Tests with Evaluation

18 Mini Sectional Tests

5 Full Length Tests

- Detailed solution of each test will be provided
- All tests will be evaluated by our expert team within 10 days
- You can discuss your test paper with the personal mentor.
- Tests will include all GS papers and essay papers

We can have direct discussions about our copies with Abhijeet Sir and Shashank Sir, allowing us to receive immediate feedback—there's no need to wait 20 days or longer. The challenge with other coaching options is that if I write something today, I may not even remember it by the time 20 days pass. How can I be expected to make improvements under those circumstances? This is where UPSCprep truly excels with its prompt responses.

Sample Notes

UPSCPREP.COM
Simplify your UPSC journey

- Sevottam adoption gap:** BIS certification remains limited; most departments uncertified
- No revision cycle:** Outdated charters not periodically reviewed or updated
- IS 15700:2005 certification:** Make Sevottam certification mandatory for all public service organisations
- Capacity building:** Train frontline staff under Mission Karmayogi to embed charter culture
- Vernacular access:** Publish charters in all scheduled languages; ensure Braille/audio versions

CROSS LINKAGE: CURRENT AFFAIRS & BEYOND

- Mission Karmayogi:** National Programme for Civil Services Capacity Building — aims to develop citizen-centric public servants who can honour charter commitments
- Good Governance Index (GGI):** DARG annually ranks states on service delivery parameters including charter compliance
- Digital India & e-Governance:** Service portals (Umang, Digilocke) integrating charter-based delivery digitally
- Expanding Right to Public Services Acts:** Multiple states have enacted or strengthened Right to Public Services legislation.

COMMITTEES & WAY FORWARD

Key Committees:

- 2nd ARC (2005-09), 12th Report:** Recommended mandatory Citizen Charters, Sevottam adoption, third-party audits, and citizen involvement in drafting
- Nota Committee (2004) on Civil Services:** Emphasised accountability and defined service standards

Way Forward:

- Statutory backing:** Enact a Central Right to Public Services Act with time-limits and penalty provisions
- Co-creation:** Involve citizens and civil society in drafting and reviewing charters
- Independent audit:** Mandate third-party monitoring of charter compliance; publish scorecards
- Digital Charters:** Enable real-time service tracking via apps/portals; integrate with CPGRAMS

Citizens' Charter

GS Paper II – Polity & Governance

Citizen's Charter: Promise -> Performance

INTRODUCTION

Definition: A Citizens' Charter represents the commitment of the Organisation towards standard, quality and time frame of service delivery, grievance redress mechanism, transparency and accountability.

Fig. What is Citizens' Charter

Previous Year Questions

- The Citizens' charter has been a landmark initiative in ensuring citizen-centric administration. But it is yet to reach its full potential. Identify the factors hindering the realisation of its promise and suggest measures to overcome them. (15 Marks, Mains 2024)
- Citizens' Charter is an ideal instrument of organizational transparency and accountability, but it has its own limitations. Identify the limitations and suggest measures for greater effectiveness or the Citizens Charter. (15 Marks, Mains 2018)
- Though Citizen's charters have been formulated by many public service delivery organizations, there is no corresponding improvement in the level of citizens' satisfaction and quality of services being provided. Analyze. (10 Marks, Mains 2013)

ABOUT CITIZENS' CHARTER

- Objective:** to empower the citizen in relation to public service delivery.
- India adopted the concept in 1997, drawing from the UK's 1991 model introduced by PM John Major.
- The Sevottam framework** (Sev + Uttam = Service Excellence) institutionalises these commitments into a measurable BIS-certified quality standard (IS 15700:2005), transforming intent into institutional accountability.
- Citizen's Charter converts welfare-state promises into measurable service obligations.**

The charters are expected to incorporate the following elements:

- Vision and Mission Statement
- Details of business transacted by the organisation
- Details of clients
- Details of services provided to each client group
- Details of grievance redress mechanism and how to access it
- Expectations from the clients

CONSTITUTIONAL & LEGAL FRAMEWORK

- DPSPs (Part IV)** – Collectively obligate the State toward equitable service provision
- Right to Information Act, 2005** – Citizens can seek accountability on service standards
- Pre-Legislative Consultation Policy, 2014** – Mandates citizen engagement before rule-making

KEY DATA & FACTS

- 1991:** UK launched the world's first Citizen Charter under PM John Major
- 1997:** India adopted Citizen Charters under DARG (Dept. of Administrative Reforms & Public Grievances)
- IS 15700:2005:** Bureau of Indian Standards (BIS) standard codifying the Sevottam framework
- Sevottam has 3 modules:** (1) Citizen Charter (CC), (2) Public Grievance Redressal (PGR), (3) Excellence in Service Delivery (ESD)
- Madhya Pradesh (2010):** First state to enact a Right to Public Services Act with time-bound delivery
- 2nd ARC (2005-2009):** 12th Report 'Citizen Centric Administration – The Heart of Governance' formally recommended Sevottam
- CPGRAMS (Centralised Public Grievance Redress & Monitoring System):** Integrated across Central Ministries for online grievance tracking

ISSUES & CHALLENGES

- Non-statutory:** Voluntary charters carry no legal enforceability; non-compliance attracts no penalty
- Top-down drafting:** Citizens rarely consulted; charters designed by bureaucrats, not users
- Low awareness:** Large sections of citizens, especially rural, unaware of their charter entitlements
- Generic standards:** Commitments often vague and output-based rather than outcome-specific
- Monitoring deficit:** No independent third-party audit or review mechanism in place
- Language barriers:** Charters typically in English; rarely available in regional languages
- Staff apathy:** Ground-level officials not trained and not incentivised to honour charter commitments
- Digital divide:** Online grievance portals remain inaccessible to marginalised and elderly citizens

River Pollution - Sources

- Excess fertilizers and pesticides-runoff and drainage.
- Chemicals & Effluents: Industrialisation along the river belt. Eg. river Yamuna is affected by Ammonia pollution and heavy froths are seen in Yamuna.
- Garbage Dumping: High population density around the river banks and the reckless dumping of non-biodegradable waste, especially plastics
- Washing & Sewage: Laundering clothes on river banks
- Cremation & Last Rites: Cremation grounds in rural India are located on the banks of rivers like Varanasi.
- Sand Dredging
- Formalin (Methanal) Contamination: The Food Safety and Standards Authority of India (FSSAI) has banned formaldehyde in fresh fish, while the International Agency for Research on Cancer labelled the chemical a carcinogen.
